Request for Cryptocurrency Withdrawal Limit Increase

If you currently hold at least $40,000 in aggregate of Bitcoin (BTC) and/or Ethereum (ETH) in your PayPal [and/or Venmo] cryptocurrency hub(s), you may request to make one or more withdrawals that exceed the currently stated weekly limits in your cryptocurrency hub(s) terms and conditions. To make such a request, please carefully complete the form below and send from **email associated with your PayPal or Venmo account** to cryptolimits@paypal.com or cryptolimits@venmo.com. You will receive a response to your request within 7 business days. If your request is approved, you may then initiate your cryptocurrency withdrawal to the wallet address(es) specified below.

Customer Name: _____
                                  (First)   (Last)
