WHMCS

6. Installation

To install the files, simply upload them as provided to your WHMCS installation overwriting the existing files.

The only exception is the 3dsecure.tpl file in the templates directory which needs to be uploaded into your active template folder.

7. Adding Logos and Verbiage on Payment Page

Copy and paste HTML provided in Marketing Kit into the creditcard.tpl template file in your active template folder

- 8. Download Module http://www.whmcs.com/members/dl.php?type=d&id=43
- 9. Log into your WHMCS admin

10. Select "Setup" then Select "Payment Gateways" in drop-down
