

# Online fundraising made easy and flexible.

PayPal and Braintree give you solutions that help you offer donors many ways to pay.

## Did you know?

- Over 600,000 nonprofits received more than \$10 billion through a PayPal in 2017.<sup>1</sup>
- There are 200+ million PayPal users in over 200 markets globally.<sup>2</sup>
- 28% of donors surveyed would not have made their recent payments to a charity if PayPal wasn't available as an option.<sup>3</sup>

## Boost your fundraising online with many payment options and low costs.

PayPal and Braintree make it simple for donors to give quickly and securely online. You can accept major debit cards and credit cards, e-checks, bank transfers and payments from PayPal accounts. You can also offer Venmo, Apple Pay, Android Pay, Visa Checkout, Masterpass, and Amex Express Checkout. Plus, eligible nonprofits receive discounted rates.

## What you get:

- **Mobile ready:** Our online solutions are mobile optimized to help make giving simpler and faster.
- **Recurring donations:** Give the option to give monthly. We offer solutions that can update some of your credit card details automatically when information has changed, such as expiration dates, etc.
- **Global payments:** Accept dozens of currencies from around the globe.
- **Enhanced security:** Reduce PCI compliance requirements and help keep your donor data more secure.
- **Advanced fraud protection:** Manage your risk strategy and fight next-gen fraudsters.
