How PayPal Pay Later helps you drive conversion, cart size, and loyalty.

Our Pay in 4 and Pay Monthly* installment solutions empower customers to get not only what they need, but what they want helping you grow your sales.

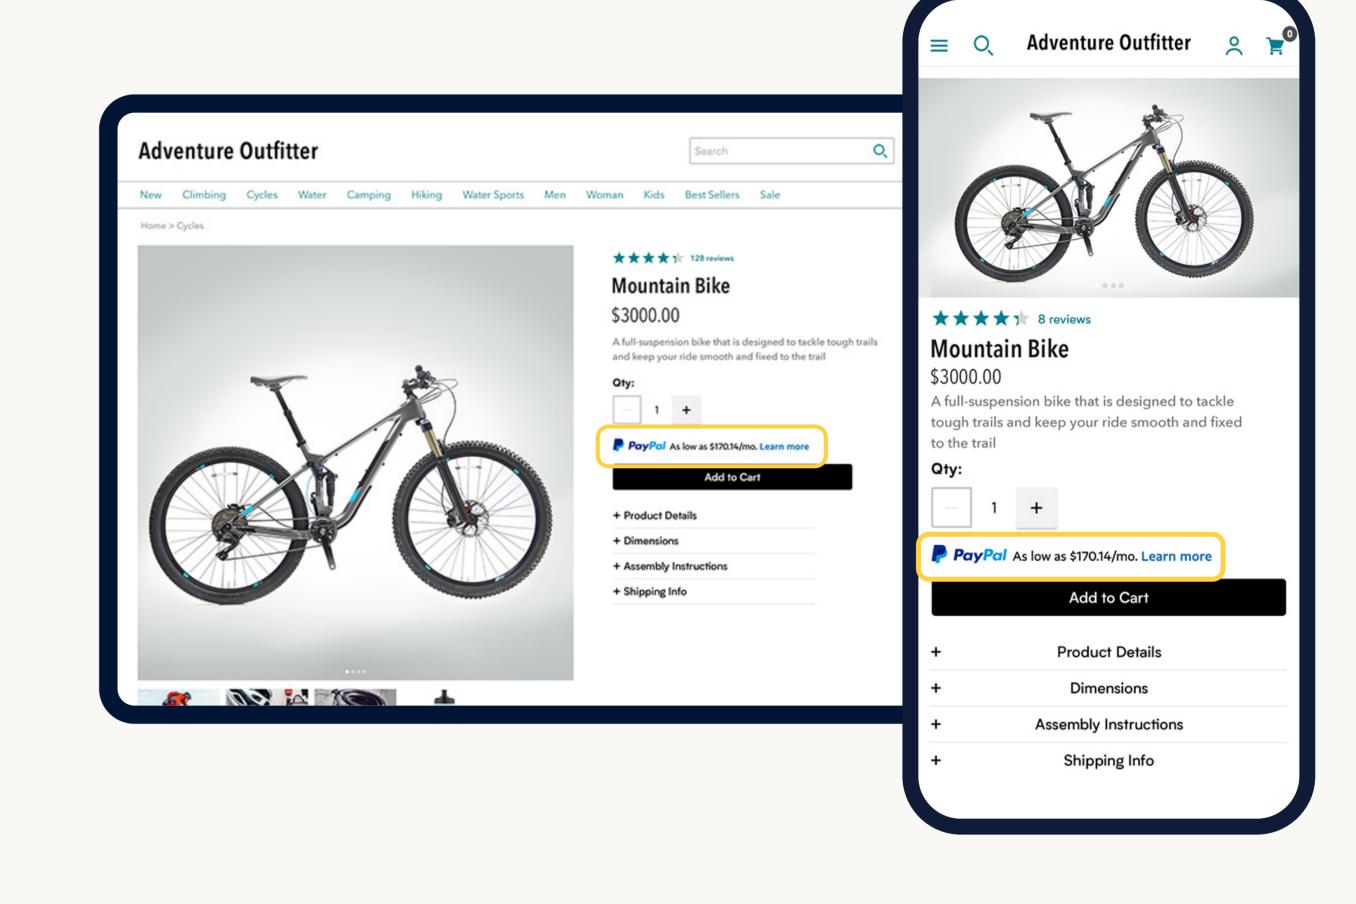

Amy needs a new mountain bike to take on the adventure of a lifetime. When she sees PayPal Pay Later messaging on the website, she feels confident in her purchase because she already knows and trusts PayPal.

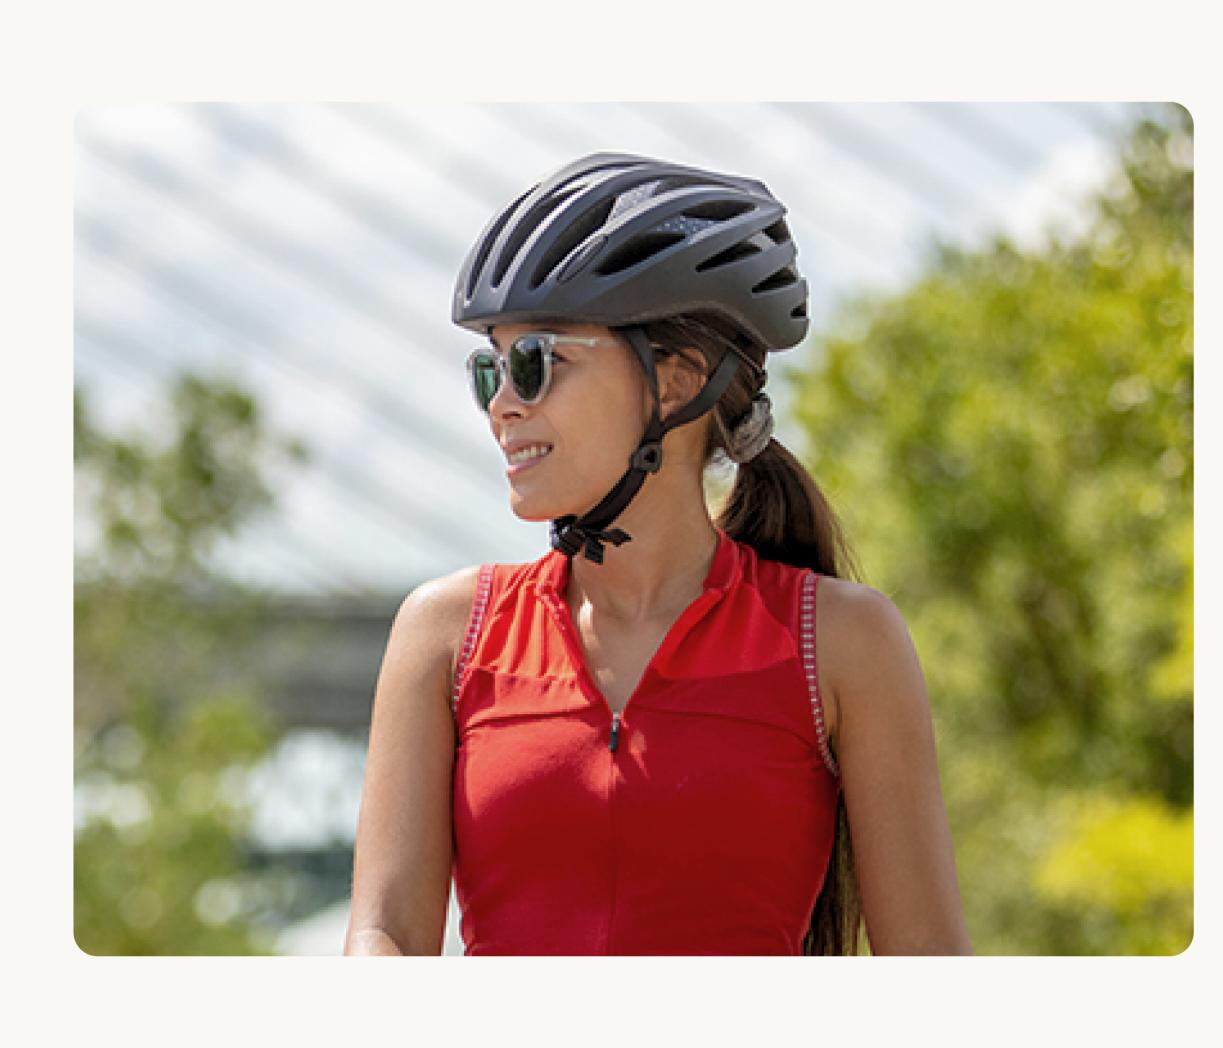

Amy finds the bike of her dreams. Thanks to dynamic messaging, she's automatically presented with the

later providers¹

option to pay over 6, 12, or 24 monthly installments with Pay Monthly. She doesn't have to delay her purchase

- or her trip.

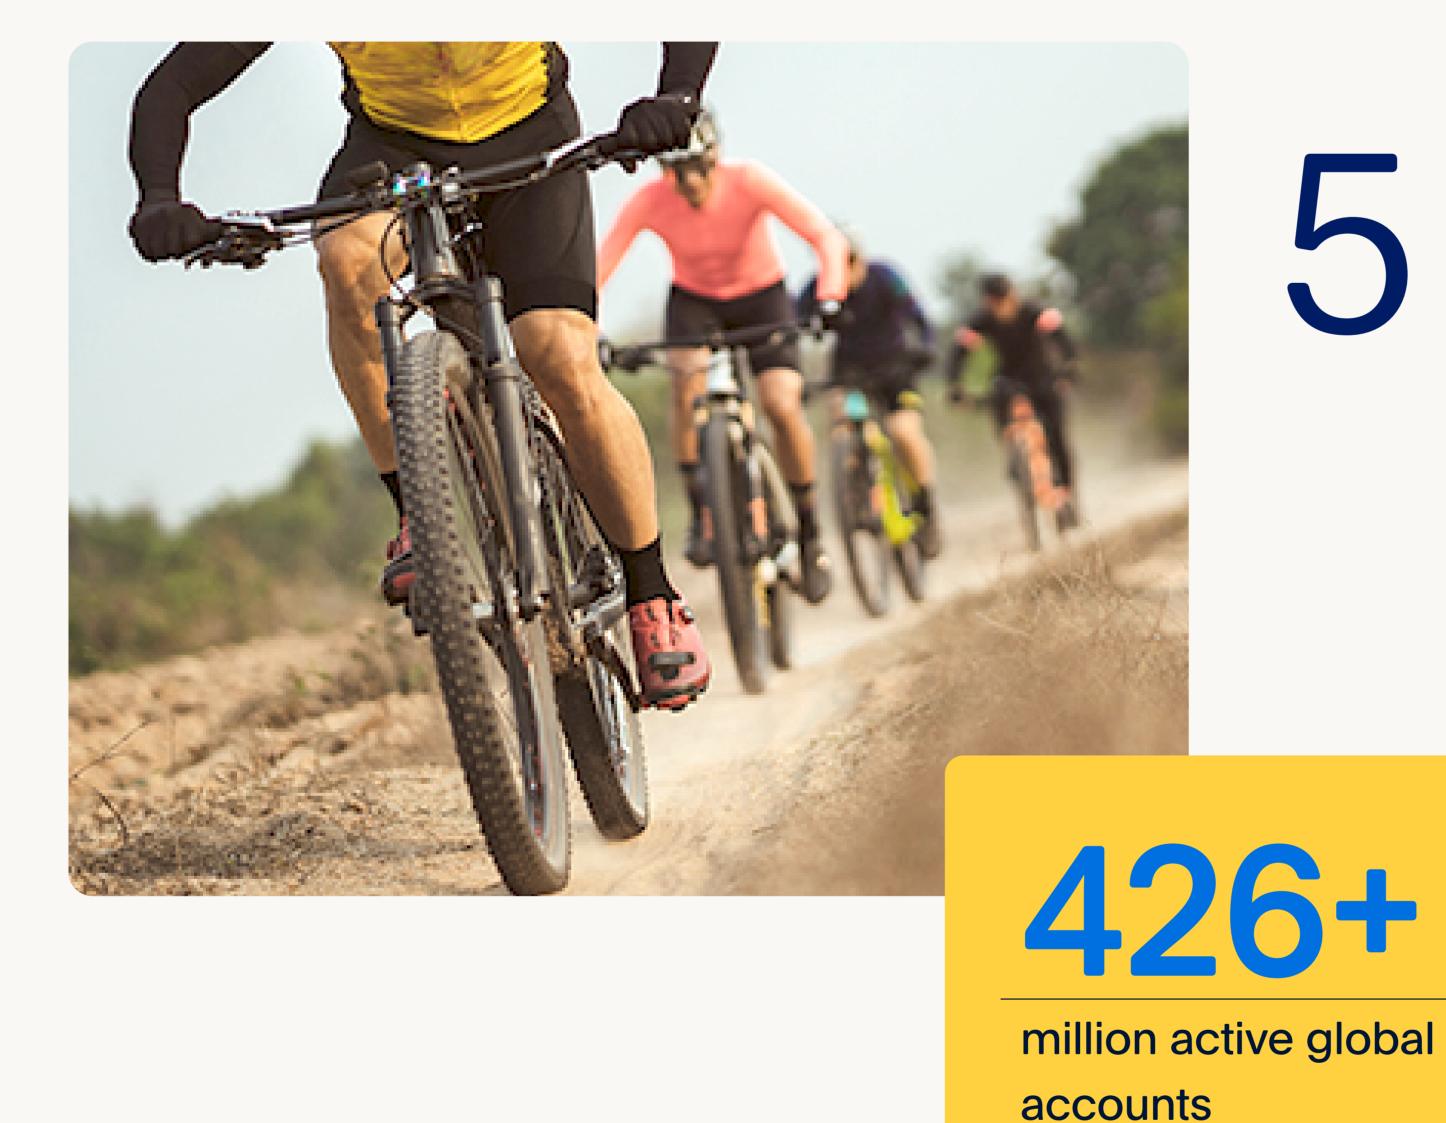

Since she can pay later, she feels confident she can also buy something else she needs: a new helmet. With a separate Pay in 4 transaction, she can pay for this smaller purchase in four payments over six weeks.

Amy pays over time for each of her transactions, while your business is paid in full, up front. There are no late fees for customers, and no additional costs or integration for you. Pay Monthly and Pay in 4 are separate offers, but both are included in PayPal Pay Later.

No late fees for customers No extra costs for your business*

* Pay Later is included in PayPal Checkout at your existing PayPal rate

Most of Amy's friends use PayPal, too. Our trusted Pay Later solutions, plus other powerful options like the PayPal Wallet and Venmo, help businesses like yours reach these new audiences and drive conversion.

When Amy gets home from her trip, she returns to the merchant's website to make another purchase. She knows that no matter how she wants to pay, the world of PayPal will be available to her.
