Last Updated: 31, October 2022

You can find details about changes to our rates and fees and when they will apply on our [Policy Updates Page](#). You can also view these changes by clicking 'Legal' at the bottom of any web-page and then selecting 'Policy Updates'.

**Domestic:** A transaction occurring when both the sender and receiver are registered with or identified by PayPal as residents in the European Economic Area (EEA).

**International:** A transaction occurring when the sender and receiver are registered with or identified by PayPal as residents of different markets. Certain markets are grouped together when calculating international transaction rates. For a listing of our groupings, please access our Market/Region Grouping Table.

International euro (EUR) or Swedish krona (SEK) transactions where both the sender and the receiver are registered with or identified by PayPal as resident in the European Economic Area (EEA) are treated as domestic transactions for the purpose of applying fees.

**Market Code Table:** We may refer to two-letter market codes throughout our fee pages. For a complete listing of PayPal market codes, please access our Market Code Table.

## Selling with PayPal

When you buy or sell goods or services, make any other commercial type of transaction, send or receive a donation or receive a payment when you “request money” using PayPal, we call that a “commercial transaction”.

For the listings of selling rates, please visit our [PayPal Merchant Fees Page](#).

## Receiving and Sending Donations

When you accept the [User Agreement](#) or the [PayPal Fundraisers Terms and Conditions](#) to send or receive funds (using one of the payment types listed below), we call that a “donation”. Funds sent or received through other products or services (not set out below) are not “donations” eligible for donations pricing.– In such cases, the applicable transaction rates will apply and will be subject to the fees disclosed for such products or services on the applicable fees page.
