A letter from the Chair and Executive Director

Dear Supporter,

PayPal Giving Fund Australia aims to inspire a new wave of philanthropy by making giving a part of everyday life. In doing so, we strive to create new sources of funding for charitable organisations in Australia, helping them to address some of society's most critical challenges such as the Black Summer Australian bushfires and the COVID-19 pandemic.

2020 was a year of tremendous progress for PayPal Giving Fund, marked by significant achievement and growth. Most notably, we helped raise more than \$137 million during the year (a x6 increase compared to 2019), thanks to more than 3 million individual donors, and granted funds to 5,604 Australian charities.

Much of our growth can be attributed to the amazing efforts of our partners, including leading businesses such as PayPal, Facebook, GoFundMe and Humble Bundle, who encourage their customers to support incredible causes with PayPal Giving Fund.

In addition, during the year, we piloted a program with PayPal to enable and encourage customers to add donations at checkout which was a great success.

We are excited by the tremendous opportunities ahead to drive our mission for the benefit of the charitable sector in Australia.

Thank you for your continued support which is greatly appreciated.

Regards,

David Sexton

Our Vision and Mission

PayPal Giving Fund's vision is to inspire a new wave of philanthropy, harnessing the power of technology to make giving a part of everyday life. We pursue this vision by developing innovative programs that introduce charitable giving in relevant and engaging ways to new audiences, benefiting the charity sector.

Through our partnerships, we make it easy for donors to support the charities they care about on the websites and apps they use every day. In doing so, we enable charities to forge relationships with new supporters, and to benefit from new sources of funds to apply in pursuit of their missions.

In all that we do, we strive to innovate – to provide more opportunities to give, engage more donors, and raise more funds. We provide donation and donor reports, issue tax receipts, distribute grants, and handle registration requirements — all without charging charities for our services.

The support provided by PayPal Giving Fund during the catastrophic 2020 Australian bushfire emergency was a key contributor in helping us access global support for WIREs' Emergency Fund for Wildlife. It allowed us to reach and engage with a broader audience to raise vital funds to support our impacted wildlife. PayPal Giving Fund is a very valuable component in our suite of fundraising tools.

OUR KEY ACHIEVEMENTS IN 2020

Growing our partnerships

Our partnership programs helped raise more than **\$137M AUD in 2020**. With PayPal we delivered a bushfire relief and recovery campaign which raised over \$2M AUD to support charities responding to the Black Summer Australian bushfires. We also launched with PayPal a program to enable customers to add donations at checkout.

We partnered with Humble Bundle to launch a new program through an innovative “pay what you want” pricing model. Customers can choose not only what they want to pay, but also designate a portion of the sale to be donated by Humble Bundle to PayPal Giving Fund to benefit the charity of their choice. During the year we also saw strong growth from many of our other partnerships and recruited several new partners that we anticipate will further increase the funds we raise in 2021.

Total Funds Raised

\$137M AUD

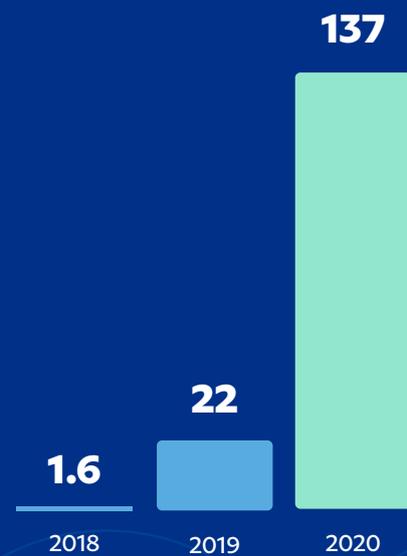

OUR KEY ACHIEVEMENTS IN 2020

Driving up funds raised

Our partnership programs raised six times the amount compared with 2019. As a result of more than 3 million generous donors in Australia and around the world supporting Australian charities. In particular supporting charities that responded to the Black Summer Australian bushfires and the COVID-19 pandemic.

We grant 100% of donations received to eligible charities and through our continued focus on due diligence and engagement with charities, we ensured that more than 99.8% of donated funds were granted to the charity originally recommended by the donor. In rare cases when a charity failed to meet the terms of our Charity Certification Policy, we (wherever possible) asked the donor to recommend another charity to benefit from their donation.

Funds raised (AUD \$millions)

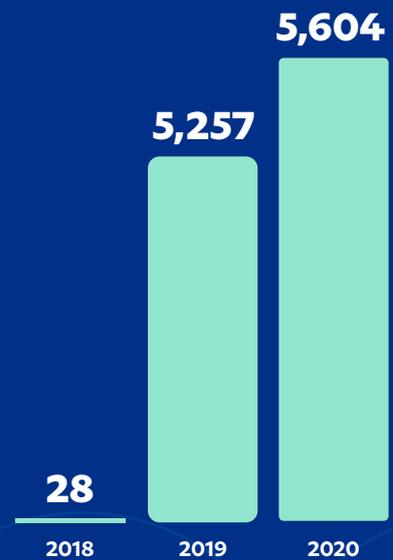

OUR KEY ACHIEVEMENTS IN 2020

Supporting more charities

Our reach continues to grow in Australia: **5,604 charities** received a grant from PayPal Giving Fund in 2020. This means 1 in 4 eligible Australian charities were supported through PayPal Giving Fund.

We also worked to provide more information to charities about fundraising campaigns and provided fundraising toolkits. Giving charities greater insights into our programs.

OUR KEY ACHIEVEMENTS IN 2020

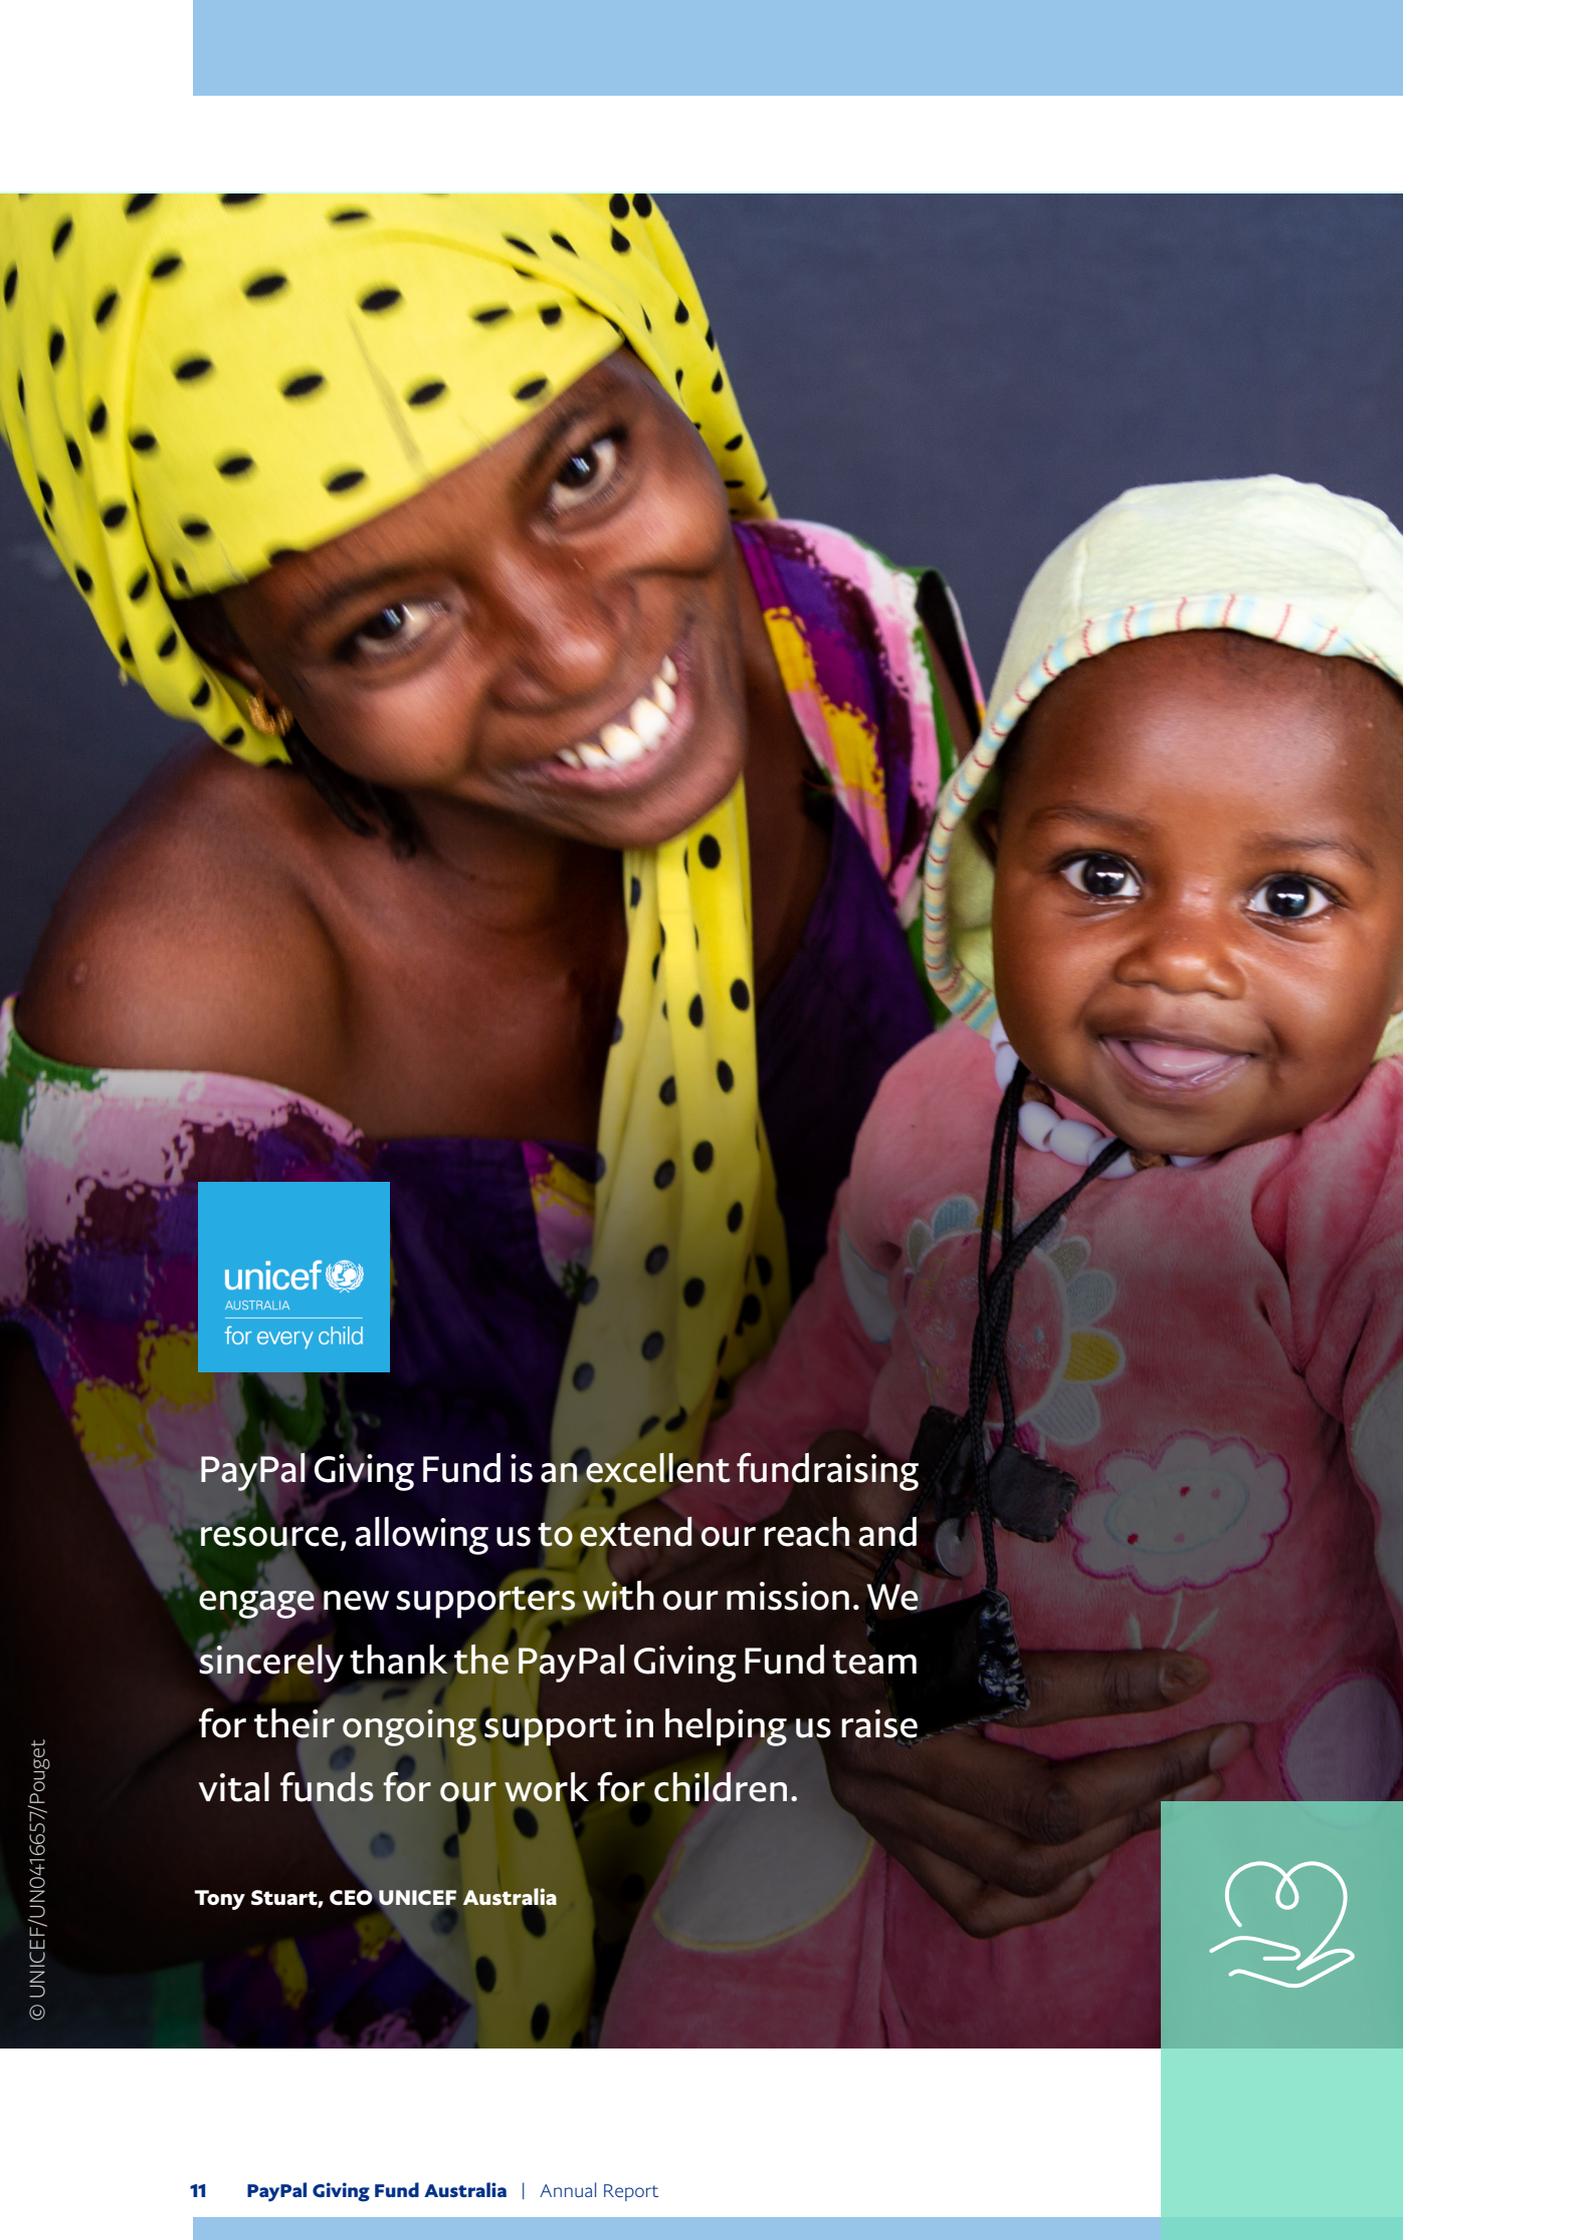

Leveraging operational support

At PayPal Giving Fund, we are proud of the fact that, as in previous years, we've been able to continue our work without deducting any fees for ourselves from the donations we receive.

Thanks to the support of PayPal and our other partners, our operational expenses continue to be fully covered. In addition, PayPal Giving Fund receives considerable in-kind support from PayPal, including product and engineering development and support, customer service resources, legal advice and use of PayPal's office space, and equipment as well as payment processing on some of our donations. The value of these in-kind services to support our program in Australia totaled \$3.3M AUD in 2020.

100% of donations received by PayPal Giving Fund are granted to charity

PayPal Giving Fund is an excellent fundraising resource, allowing us to extend our reach and engage new supporters with our mission. We sincerely thank the PayPal Giving Fund team for their ongoing support in helping us raise vital funds for our work for children.

About our partners

PayPal makes it easy for donors to find and support their favourite charities. Giving opportunities embedded in the PayPal web and mobile app customer experience are enhanced by seasonal campaigns and promotions that inspire people to give more - and give more often.

GoFundMe is a social fundraising platform that lets people raise funds to benefit their favourite charities through donations made to PayPal Giving Fund. Through the site, users can create their own unique fundraising campaigns to support a charity of their choosing and share their campaigns through social media to drive donations.

Facebook enables its users to create and donate to charity fundraising campaigns, sharing them with friends and family. Donations in the UK, Australia and Canada may be made to a PayPal Giving Fund, which makes grants to the charities recommended by fundraisers.

Humble Bundle is a leading retailer of digital games and eBooks that offers its customers the opportunity to support the charities in our network with every purchase they make. Through an innovative “pay what you want” pricing model, customers can not only choose what they want to pay, but also designate a portion of the sale to be donated by Humble Bundle to PayPal Giving Fund to benefit the charity of their choice.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the Australian Charities and Not-for-profits Commission Act 2012. The Fund is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements were authorised for issue on 19 May 2021 by the Trustee.

Notes to the financial statements

31 DECEMBER 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Policies

a. Revenue and other income

Non-reciprocal grant revenue is recognised in profit or loss when the Fund obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the Fund and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before the Fund is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

Donations and bequests are recognised as revenue when received.

All revenue is stated net of the amount of goods and services tax.

b. Cash and cash equivalents

Cash on hand includes cash on hand, deposits held at-call with banks, and other short-term highly liquid investments with original maturities of three months or less.

PayPal Giving Fund Australia does not accrue interest on donations received and held in a bank account.

c. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities, which are recoverable from or payable to the ATO, are presented as operating cash flows included in receipts from customers or payments to suppliers.

Notes to the financial statements

31 DECEMBER 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

d. Income Tax

No provision for income tax has been raised as the Fund is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

e. Other Payables

Other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Fund during the reporting period which remain unpaid. This includes donations received on behalf of but not-yet distributed to charities.

The balance is recognised as a current liability with the amounts normally paid within 90 days of recognition of the liability.

f. Economic Dependence

PayPal Giving Fund Australia is dependent on the PayPal Giving Fund (USA) for the majority of its income used to operate the business. At the date of this report, the Board of Directors has no reason to believe the PayPal Giving Fund (USA) will not continue to support the PayPal Giving Fund Australia.

g. New or amended Accounting Standards and Interpretations adopted

The company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.
