## Buying with PayPal

It's free to use PayPal to pay for a purchase or any other type of commercial transaction unless it involves a currency conversion.

### Online or in-store

Rate
No Fee (when no <a href="#">currency conversion</a> is involved)

## Selling with PayPal

When you buy or sell goods or services, make any other commercial type of transaction, send or receive a charity donation or receive a payment when you “request money” using PayPal, we call that a “commercial transaction”.

For the listings of selling rates, please visit our [PayPal Merchant Fees Page](#).

## Sending and receiving payments

When you send funds (initiated from the “Friends and Family” tab of the “Send” flow) to, or receive funds into your PayPal account from, friends and family without making an underlying commercial transaction (that is, the payment is not for the purchase of goods or services or for making any other commercial transaction), we call that a “personal transaction”.

Personal transactions are limited in availability and may not be available in some countries. If you use your credit card as the payment method for a personal transaction, you may be charged a cash-advance fee by your credit card company.

The rates relating to personal transactions are set out below.

### Sending domestic personal transactions

PayPal Balance or Bank account	AD, HR, IS, & MC	No Fee (if funded in EEA in EUR/SEK)

**Personal payments:** If you use another payment method to partially fund the payment, the fee will be pro-rated.
