You can find details about changes to our rates and fees and when they will apply on our [Policy Updates Page](#). You can also view these changes by clicking ‘Legal’ at the bottom of any web-page and then selecting ‘Policy Updates’.

**Domestic:** A transaction occurring when both the sender and receiver are registered with or identified by PayPal as residents of the same country/territory.

**International:** A transaction occurring when the sender and receiver are registered with or identified by PayPal as residents of different countries/territories. Certain countries are grouped together when calculating international transaction rates. For a listing of our groupings, please access our [Country/Territory Grouping Table](#)

For India users, we only support international payments.

**Country Code Table:** We may refer to two-letter country/territory codes throughout our fee pages. For a complete listing of PayPal country codes, please access our [Country Code Table](#).

# Relevant Country/Territory

Rates published below apply to PayPal accounts of residents of the following country/territory:

No Fee (when no <a href="#">currency conversion</a> is involved)

# Selling with PayPal

When you buy or sell goods or services, make any other commercial type of transaction, send or receive a charity donation or receive a payment when you “request money” using PayPal, we call that a “commercial transaction”.

For the listings of selling rates, please visit our [PayPal Merchant Fees Page](#).

# Currency Conversions

For information about how we convert currency, please see the [user agreement](#).

The [transaction exchange rate](#) used for your currency conversion includes a fee which we charge above the [base exchange rate](#). The fee depends on the type of currency conversion, as follows:
