

GET STARTED WITH YOUR PAYPAL BUSINESS ACCOUNT.

Here's a quick guide

BEFORE SIGNING UP, MAKE SURE YOU HAVE:

Your email address

Use it to sign in as well as to send and receive payments through PayPal.

Business information

- For individual businesses or freelancers, your individual PAN is required. For sole proprietors or other business types, your business PAN is required.
- Contact information for this account.
- Legal name of the business (for individual account, legal name is not required).

Business owner information

- Name.
- Address.
- Date of birth.

PLEASE NOTE: To help serve your business needs better, please ensure your details are filled in accurately and match your legal documentation

DONE SIGNING UP? GREAT! NOW YOU'LL JUST NEED TO:

1

Confirm your email

Click the link in the email we've sent you to verify your account.

2

Verify your identity

Identity verification is a standard process to help protect your business from risks. You may be prompted to submit supporting documents in your PayPal business account. Please note that this process might take 1-2 business days to complete.

3

Link your bank account

This allows you to transfer funds directly from your PayPal account to your bank account. To facilitate the transfer, please ensure your PayPal account name matches your bank account name.

4

Get paid

PayPal has different payment solutions to suit your business needs. You can choose to send an email invoice, add a payment button to your website, or receive payments via your personal PayPal.me link.
